### Budget Storage Facilities commit to help Detroit's Louis Pasteur Elementary School

*Help us and you could win \$100!*

Named after the father of pasteurization, the Louis Pasteur Elementary School in Detroit is a school with a committed staff and - believe it or not - a large, involved alumni association. One of the projects that the alumni take on each year is collecting hygiene products for the students.

"We are so grateful for the donations we receive," said Marcy Feldman, Pasteur Elementary Alumni Association President. "Our students and their families are always in need of these products and any help we can get is greatly appreciated," she added.

This year the Budget Storage facilities are getting involved by setting out collection boxes in the office area. To encourage

### Find Buzzy, get Bucks!

The Budget Storage staff has been busy painting more rocks of our little pal mascot, Buzzy and hiding them for you to find. We started this a few months ago and we've gotten such a great response that we're going to keep this program going as long as there are Buzzys hiding out there!

For some background, painting rocks and hiding them in a particular community has become a popular pastime. There are many Facebook groups in Michigan dedicated to making others smile when they discover a hand-painted rock hidden under a park bench, in a community garden, or at the library of their hometown.

"Clarkston Rocks," "Plymouth-Canton Rocks," "Sterling Heights Art Rocks," "Downriver Rocks" and "Painted Rocks of Portage" are examples of very active Facebook groups in the communities

customers and visitors to bring products in to fill the box, we are running a contest! Each time you bring in a donation, be sure to fill out a contest form. On July 15 we'll draw one winner from each Budget Storage facility to win a \$100 Visa gift card! We encourage you to enter often. Each item you donate qualifies you to enter the contest.

All donated products must be unopened and in their original container. Acceptable personal hygiene products include bar soap, shampoo, conditioner, body wash, hand soap, mouthwash, deodorant, combs, brushes or body lotion.

Donations can even be the small bottles of shampoo, conditioner and body lotion from hotel visits.

We hope that our customers and friends will take advantage of this program and help us help the students of Pasteur Elementary School!

Our customers mean everything to us and we realize that without you, we wouldn't have anything to store, our trucks and trailers would just fill up parking spaces and we would be lonely!

To say thanks, we're awarding one customer each month with a \$50 Visa gift card! Just put your contact information in one of our fishbowls. We'll randomly choose one customer each month.

served by Budget Storage facilities. So we decided to join the fun and hide our own rocks.

Buzzy is hiding around or near the Budget Storage facilities in Clarkston, Canton, Sterling Heights, Portage and Brownstown Township.

Find him and you will get more than a rock with a painted bee on it. Bring Buzzy back to any one of our facilities for \$20 in Budget Storage Bucks, legal tender at any Budget Storage facility! Use it to help pay for your unit rental, for extra boxes, other packaging supplies, U-Haul, shipping or printing services (where available).

Once Buzzy returns to us, we'll rehide him and someone else can enjoy the hunt! So start looking...it's fun and free! Rock on!
